

Marilyn Perry Leadership Award

This award is given to a junior clubwoman who demonstrates outstanding leadership qualities and abilities and uses them to benefit both GFWC club and her community. She is an active leader in community organizations and/or projects (i.e., church, charities, schools, government) while maintaining positions of leadership within GFWC or in her GFWC club.

The Marilyn Perry Leadership Award differs from the Martha Michalewich Clubwoman of the Year award, in that a crucial emphasis of this award is placed upon the club member bringing her leadership skills to organizations outside of GFWC. In 2002, it was determined that no person could win this award more than once.
