From President T Jablanski

Good Evening Ladies,
Oh, my goodness, where has a whole year gone?

The **Spring** issue of **TOPICS** is just great. I hope you are enjoying it. Many thanks to **Darlene Coutu**, your **TOPICS** editor. It is packed with some wonderful information and I love all the pictures that clubs have sent in. **The CALL** is attached to this issue of **TOPICS** and full of all the details you need to have for our upcoming **Annual Convention** and the **Legacy of Leadership**.

We will be honoring our **Past State Presidents** & **Past Directors of Junior Clubs** with centerpieces depicting their administration achievements, themes and/or projects. I can't wait to see "The Wall of Leaders" poster contest. It is sure to be a day of celebration!

I have attached the **proposed bylaws** and **resolutions** you will need for the business meeting. I am excited to recognize and celebrate all of your achievements and looking forward to seeing all of you at the Courtyard Marriott Natick.

I am also attaching our **Earth Day/Spring Reveal Open House** flyer. Many of you donated bulbs at our Fall Meeting. **Memorial Forest chairman, Diane Erickson** planted all of them and is very excited to share with you their colorful reveal. We have been trying to host this event for several years and we are finally making it happen. We will be inviting local officials from both Sudbury and Marlboro as we have property in both towns. We will also be extending the invitation to our immediate neighbors and all club members are welcome. So, **Save the Date April 22, 2023** 11- 3 and join us for this informal get-together at your headquarters.

I have been reaching out to the clubs regarding their IRS status and working with our accountant. You will be hearing from me personally, as we continue to work on this process. Thank you for your patience and understanding.

April 17-21 - GFWC Volunteers in Action week
April 24 - GFWC Federation Day.

Your leadership and membership are very important to us, and we recognize and appreciate the work that goes into running your clubs.

Thanks for knowing your worth and making your communities a better place to live. I pray you never grow tired of doing good works!

"Here's to the women who try their hardest to be better than they were yesterday, who spend hours working, making sure all their bills are paid, who listen to the same song dozens of times because the lyrics resonate, who deserve so much more than they get and are willing to fight for it. Here's to the women holding it down even when the world seems against them. Empowering Women Now."

Peace,
