

November 30, 2025

Get ready for a day of fun, friendship, and fantastic service!

You and your club members are warmly invited to join us for the **GFWC Massachusetts Midwinter Meeting!**

Date: Saturday, January 31, 2026

Location: Hudson-Concord Elks Lodge, 99 Park Street, Hudson

Theme: "Cozy Comfy and Connected!"

We're crafting a day designed for you to recharge and reconnect with your GFWC friends across the state. **Please come and wear your coziest, comfiest** sweater to truly embrace the theme and feel right at home!

What's Piquing Our Interest?

- **The Sweetest Competition:** Enter our fun **Dessert Contest!** Bring 4 dozen of your best bars, squares, or other finger desserts. Bragging rights (and prizes!) are on the line!
- **Service Project:** We'll be assembling **toiletry bags** to help those in need. Your club will have the opportunity to take some back and donate them to local shelters or food banks in your community, making an immediate impact.
 - Action Item: Keep an eye out! Next week, a **SignUpGenius link** will be sent to club leaders detailing items still needed for the assembly project. We encourage all clubs to participate by purchasing items from this list.
- **Community Drive:** Help us collect **hats and gloves** for local community members in need of winter essentials.
- **State Business:** Review the **Proposed Bylaws** and be prepared to vote on these. Contact Terry Rouvalis, Bylaws Chairman with any questions.
- **Membership Incentive:** Check the CALL for details on the special Midwinter Membership Incentive to see if any of your dedicated club members qualify for recognition!

➡ Please help us make this a huge success!

Club Leaders: It is essential that you forward this invitation and the attachments to ALL members of your club! We want every member to have the chance to be Cozy, Comfy, and Connected with us.

All the essential details—including information about the speaker, registration deadlines, and how to enter the dessert contest—are in the attached **CALL**.

We can't wait to see great attendance and share this fun day with you!

Jen Nowak

GFWC Massachusetts President, 2024-2026
