

2022-2024 COMMUNITY SERVICE PROGRAM

ARTS and CULTURE

The study of art and culture enriches the human experience. Art education improves problem solving and critical thinking skills, builds focus and perseverance, and nurtures creativity, confidence, and collaboration. Cultural awareness promotes effective communication and profoundly increases the ability to appreciate and enjoy a variety of new people and experiences.

COMMUNITY CONNECTION INITIATIVE: CREATING A PATH TO COMMUNITY GEM

Community Connection Initiatives are designed to answer the need to build awareness and recognition of who GFWC volunteers are, what the organization accomplishes, and making GFWC recognizable in local communities. This branding effort assists in giving GFWC a more human side, which will help to build your recognition and grow your membership.

Arts and Culture Community Connection Initiative ask you to examine the historic/landmark gems of your community. GFWC encourages clubs to take an active role in creating and enhancing their community by partnering with the local City Hall and Chamber of Commerce to create a digital or printed brochure indicating where visitors and families may go to experience the Art and Culture of their community.

Highlight trails for walking, jogging, and bikes; concerts; historical buildings and architecture; companies that founded their area; stores that sell local artist wares; Farmer's Market days and location; dog parks; library; City Hall; clubhouses; theatres and movie houses...let your ideas flow and don't forget to brand your brochure with your club's name, location, email address, and meeting dates.

Let your brochure show that your town does indeed welcome both residents and visitors to Dream Big, Sparkle More, and Shine Bright.
