Community Farm ~ 40 members/ 15 hours/ \$550 donated

The Green Acres Community Farm is a non-profit farm providing educational opportunities for learning about sustainable growing and nutrition, and by growing fresh produce for those in need. The **GFWC Crowley Club of Cambridge** donated \$550 to support the Farm’s Food Donation Program. This program donates sustainably grown, culturally relevant, fresh produce to the Cambridge Food Pantry and to Cambridge Housing Authority residents. They asked is clubwomen would volunteer to water once a day for two weeks. Seven different members covered the watering task for 2 days each.
