Federation Day at the Forest

Federation Day at the Forest is set aside by GFWC Massachusetts to honor and celebrate the lives of dedicated club women and their families and friends. It is an opportunity to break away from the daily grind and take a few hours to enjoy the tranquility and beauty of our scenic Forest.

Normally held the first week in June, at this writing, Federation Day at the Forest has not been scheduled for 2021. Please look for details after January 2021.

All clubs and club members can help support the Memorial Forest by making a donation at any time. Donations received by March 31, 2021, will be recognized at the 2021 Federation Day at the Forest. Donations of not less than \$10 will be inscribed in the Memorial Book as a permanent record and recognized during the Memorial program held on Federation Day.

Donations to Memorial Forest: Maintenance of Memorial Forest is funded by contributions made by members and member clubs. Consider honoring or remembering clubwomen/family members/friends with a donation to this spectacular piece of nature. Donations can be made using the Memorial Forest Donation Form.
