## SENDING WARM WINTER WISHES!

**Reminder that quarterly recruitment campaign reports are due to GFWC by January 2, 2025.** This report focuses on new members who have joined a GFWC club during October - December 2024. During these past three months, we asked clubs to highlight the value of being a member of their club and of GFWC. As you'll see below, there is a new focus area for Q1 2025, but please continue to stress to your states how very important it is to continually communicate the **VALUE** in GFWC membership!

### **January, February, March 2025**

During these next three months, we'd like your clubs to work on **Diverse and Inclusive Programming**. Examples are considering all members' needs when organizing club events and activities, and ensuring club programs are accessible and open to a diverse membership base. **Report Due - April 1st; please share with your states!**

As we wind down 2024, the GFWC Membership Committee would like to share our heartfelt gratitude for your leadership, and for all you do to promote strong, healthy clubs in your state. May your holidays be filled with joy, peace and love; we look forward to all that is to come in 2025!

**HAPPY HOLIDAYS AND HAPPY NEW YEAR!**
