UNITY WALKWAY – Personalized Bricks

The Memorial Forest and Building Committee encourages all members to tell their story and memorialize it in a personalized brick. The brick walkway in front of our Headquarters Building is a legacy that honors our leaders and remembers our friends. In 1950 we celebrated the purchase of our Memorial Forest and today we celebrate - YOU - our members.

To purchase a brick, fill out the form, make a check payable to GFWC MA and mail it to the PO Box, attention Unity Walkway. Once your brick has been returned by the vendor and added to the Unity Walkway, we will notify you of its installation. All bricks will be placed randomly throughout the walkway.

If you need additional information, email headquarters@gfwcma.org
